

**Clements, Calvin J**

**Signal Company**

March 15, 1921 – January 17, 2021

Born in 1921 in Blaine County, OK, Calvin experienced some of the most extraordinary events of the 20th century. In his youth, he traveled with his family by covered wagon with mule team from Arrey, NM to homestead near Cortez, CO.

During the Depression, he joined the Civilian Conservation Corps, working in Mesa Verde National Park. After the United States entered WWII, he and his twin brother enlisted in the Army, both fought in the Pacific. After the war, he trained in radio and television, became a licensed HAM radio operator until late in his life.

He was married to his late wife on Christmas Day in 1948. Calvin enjoyed a long career in geophysics until retirement, always referring to himself as a “Doodlebugger”.

He was active in church as an elder and Bible class teacher. He loved to attend Army reunions. Calvin also enjoyed genealogy, traveling, especially to visit family, and “chasing electrons”.

Calvin was a beloved Deadeye of the 96th Infantry Division who attended many Deadeye Reunions.

He was a true man of honor, deeply loved by family and friends.
